1. Please note that the use of the public address system is restricted to **12:45 p.m. to 2:00 p.m.** and the volume generated should be kept at a **reasonable level**, *i.e. at a level that the broadcast should only be heard within the area of the counter*.

2. The backdrop, if any, should be **2.2m** height and width not exceeding width of the counter, with one dimension only.

3. The display boards, tables and other materials must be placed within the approved area and **must not block** the nearby facilities for persons with a disability such as the **tactile guide paths** (失明人士引導徑) and **handrails**.
