### **Part-time work on campus during term time**

Student visa holders enrolled in a full-time full-degree programme (with duration of one year or more) can take up on campus part-time work of not more than 20 hours per week during term time (i.e. from 1 September to 31 May) provided that they have already obtained a 'No Objection Letter' from the HK Immigration Department when they apply for entry visa or extension of student visa.

Eligible student visa holders can only take up part-time work with the offices of The University of Hong Kong and the designated operators on the HKU campus. The list of designated operators has been posted up on the CEDARS website at <http://www.cedars.hku.hk/nonlocal/pdf/designatedoperator.pdf> .

It is the student's responsibility to ensure that they would only take up part-time work at designated operators within the campus and that their weekly working hours has not exceeded the limit set by the HK Immigration Department.

For details, please refer to the information on your 'No Objection Letter' or contact the HK Immigration Department at 2824 6111.
