

CENTRE OF DEVELOPMENT AND RESOURCES FOR STUDENTS

Sketch & Photo of Banner Sites

Appendix D-1

Note:

- A student should be stationed at the Sun Yat Sun Steps to alert passers-by that a banner will be hung from bridge linking 5/F Knowles Building and Library Building.
- The area below should be cordoned off by plastic banners before the actual banner hanging is in operation.
- Banner should be tied to framework before lowery so if dropped it will not fall.
