Dear All,

The Chinese New Year is coming soon, HKU ICAC Ambassadors hereby wish you all a happy Chinese New Year! Talking about the blessings of the Spring Festival, we have to mention the traditional Chinese custom of writing Fai Chun! To spread the joy and blessings in this festive period, we deliberately integrate the core values of integrity into Chinese calligraphy and organise a “Fai Chun DIY” booth. We will provide stationery and decoration materials to make your own unique Fai Chuns at our booth. Do come and join us!
