

South Asian Project – SISTER - ASIA

<Social Inclusion Services Team for Ethic-minority Residents – Art as Social Inclusion Activities>

Have you ever served the South Asian youth community in Hong Kong? Are you familiar with them? If the answer is NO, then you should join this exciting service project!

The SISTER-ASIA Project is sponsored by 84' Social Inclusion Fund of CEDARS in collaboration with Hong Kong SKH Lady MacLehose Centre. The entire program begins in October 2010 and ends in April 2011, with a total of 20 service hours. You will not only get the chance of dancing and drawing with the South Asian youth, but you will also organize a program with other participants to promote social harmony. There will be training courses and workshops to familiarize you with the South Asian youth community. Together, let's build a harmonious society free from discrimination and bias!

All participants will be given a Certificate of Appreciation on completion of the program. Medical and Nursing students can apply for PETSS Point.

For those who are interested, please send your name, curriculum, year, contact number and email to kin.yklam@gmail.com (Kin) or koyan@hku.hk (Yvonne).
