Student Travel Loan

Interest free loans are available to local students studying for a full-time degree programme who need financial support to take part in overseas field trips, exchange programmes, practicum and other overseas travels relating to their academic studies.

Eligibility

- Loans are means-tested. Level of awards depends on nature and costs of the programme and applicants' family financial circumstances
- Programme should have the support from Department/Faculty
- Priority goes to those without other source of university support and who have successfully applied for the Government TSFS scheme

Application Date: March 8 – May 7, 2010

Application Procedure, please refer to <http://cedars.hku.hk/finance/travelloan.html>

Students can also approach CEDARS for the following:

1. Emergency Financial Assistance

This is for students who have difficulties in covering their expenses due to sudden changes in family circumstances. e.g. drop in family income, unemployment of parents or sudden financial crises in family.

2. Bridging Loan

Interest-free loans could be offered to students with short term cash flow problem.
