

ANNUAL CELEBRATION WITH
EXTERNAL AWARD WINNERS & CEDARS SERVICE AWARDEES

23rd Recognition Ceremony

MAY 2020

CELEBRATING STUDENTS' ACHIEVEMENTS AND CONTRIBUTIONS

— FROM JANUARY TO DECEMBER 2019 —

MESSAGE FROM
VICE-PRESIDENT AND
PRO-VICE-CHANCELLOR
(TEACHING AND LEARNING)

The University of Hong Kong provides students with a total learning experience, combining both disciplinary specialisation and broad-based engagement with current and global issues. We aim to nurture innovative and forward-thinking talents with a global mindset. Every year, the Recognition Ceremony celebrates excellence in academic and non-academic pursuits globally, regionally and locally. I wish to take this opportunity to express my deep gratitude to the HKU family — the dedicated faculty, staff, and students who strive to advance the mission of the University.

The Recognition Ceremony is a prestigious annual celebration for students, commending outstanding achievement and dedication in external endeavours. As role models for their fellow students, our awardees provide inspiration through their accomplishments outside the campus to attain their personal goals and make a difference in the world.

My warmest congratulations to all awardees in external competitions and endeavours, as well as those who have made dedicated contributions to campus activities in 2019. Please join me in congratulating our students who have attained personal milestones through hard work and perseverance.

I would also like to express my gratitude to my colleagues for their unfailing support and encouragement of our students in becoming lifelong learners and engaged citizens. I look forward to seeing what other successes they will register as they move forward at the University and in their lives after graduation.

Professor Ian Holliday
Vice-President and Pro-Vice-Chancellor (Teaching and Learning)

MESSAGE FROM
DEAN OF
STUDENT AFFAIRS

The Recognition Ceremony is to acknowledge and celebrate the outstanding achievements of our talented and dedicated students and to inspire the university community to learn from their diligence and strive for excellence.

In 2019, over 100 students won more than 70 awards in competitions and external endeavours. 72 students were awarded for their outstanding and sustained contributions in co-creating vibrant and impactful student life with CEDARS.

We know that achievement and success are not by accident. Breakthroughs come after spending hours of hard work and unleashing new ideas. Overcoming challenges and obstacles is hard but wonderful when you finally reach the pinnacle of success. I applaud your conscientiousness, passion and perseverance.

In addition, I want to show my gratitude to the unsung heroes who have made remarkable contributions as Student Hosts. It is not just for what you have done for CEDARS, but we are thrilled to have you as our co-workers and co-creators. I hope you will take what you have learnt, build on it and achieve higher personal goals and community contributions.

Congratulations on your well-deserved success, and I look forward to seeing you reach new heights.

Dr Eugenie Leung
Dean of Student Affairs
