These courses aim to help you develop academic English skills in critical reading, research report writing and oral presentation. They enable you to communicate ideas and arguments more effectively with peers, tutors, instructors, and assessors in your subject areas.

**What course will I take?**

You will take the course that corresponds with your major. This is a university requirement.

**When will I take it?**

In your 1st, 2nd or 3rd year of study at HKU, depending on your programme.

**Why do I need to take it?**

Reading, writing and speaking competently in English are extremely important skills for Education students.

**How will I learn?**

- By working on a research topic of your choice in your discipline, writing research plans and sharing research findings
- By collaborating with peers, sharing ideas and learning from other classmates
- By analysing how academics in your discipline communicate through writing and speaking
- By receiving individualised feedback at various stages to help you improve and monitor your progress
