Students in this BSocSc curriculum may choose to major in one of the six core disciplines: China Studies, Geography, Politics and Public Administration, Psychology, Social Policy and Social Development, and Sociology. Students may also opt for a double major in multidisciplinary options such as Cognitive Science, Counselling, Criminology, Media and Cultural Studies, Neuroscience, Urban Governance as well as majors offered by other Faculties of the University. Students can choose to combine a major with one or two minors.

The BSocSc curriculum requires all students, as a condition of graduation, to undertake 24 credits (equivalent to 4 courses) of off-campus learning under the twin themes: Social Innovation (12 credits) and Global Citizenship (12 credits).
