Bachelor of Arts and Sciences

文理學士

The BASc curriculum equips students with an interdisciplinary focus and prepares them to make an impact by solving the world's problems. Each student achieves these goals in a personalised and tailor-made manner whilst being supported by a mentor and other students from the BASc family.

Students will major in Interdisciplinary Studies where they will take five courses from each of the two pathways so that they gain knowledge from diverse disciplines. Students can also take an additional major/minors/ electives to further enhance their interdisciplinarity.
